

The Ghan

The Ghan Expedition

The Ghan is iconic for a reason. Its bold-red locomotive matches the red earth it travels across, all the while connecting to the outback and the incredible scenery of the Red Centre.

There are two possible journeys on The Ghan. Travelling northbound, The Ghan calls in to Marla, Alice Springs and Katherine year-round. Travelling south in March and November, the stops are Katherine, Alice Springs, and Manguri.

From April to October, The Ghan's three-day journey southbound becomes The Ghan Expedition, covering four epic days. The extended Ghan Expedition exclusively departs Darwin for Adelaide, including a stop in Coober Pedy and a dinner under the stars that is often the pinnacle of the adventure.
