## FAQs

### Why choose maui?

**maui** is the premium motorhome rental brand in New Zealand, with motorhomes **under two and a half years** on fleet. We offer **maui Elite** that guarantees a motorhome **less than one year** on fleet at time of pick up for an additional daily fee, for those looking for a newer option. All **maui** motorhomes feature automatic transmission, a private ensuite and are **certified self contained**.

**maui** is a proud supporter of Tiaki - a commitment to care for New Zealand, for now and for future generations. For more information about Tiaki please visit [www.tiakinewzealand.com](http://www.tiakinewzealand.com).

### What is the minimum rental period?

The minimum rental period is five days. Longer minimums may apply over peak season and for one-way rentals.

### Are there any restrictions on where I can travel?

Yes. **maui** motorhomes can only be driven on sealed/bitumen roads, unless it is a well-maintained access road of less than 12 kilometres to a recognised campground or major tourist attraction. We also have restrictions on certain roads and ski field areas, so please check these with your travel consultant.

### Can I travel one-way?

Yes! One-way travel is available between all our branches. One-way fees and minimum rental periods apply when travelling between locations. Please refer to the full terms and conditions for full details.

### Do I need a special driver's licence?

You do not need a special driver's licence but a current and full motor vehicle driver licence **is** required for all drivers and must be shown at pick up. The licence must be valid for the entire duration of the booking. If the licence is not in English, then an accredited translation or International driver permit is required.

### How old do maui drivers need to be?

All drivers need to be 21 years or over.

### Can I check-in online?

Yes! In fact, it is a requirement for all guests to check in online at <https://sci.thlonline.com> at least 14 days prior to pick-up. This will ensure we have all your details in our system before you get here, making pick-up faster for you.

### What Liability options are available?

For peace of mind on the road we offer two Liability Options. Choose between:

- › **'The Low Road'** - our most basic level of liability cover
- › **'The High Road'** - our highest liability cover. This cover is included in the **maui Value Pack**; our hassle-free option with lots of extra inclusions. We recommend the Value Pack as it's great peace of mind. Full details below.
